ARTS AND MEDIA

Silk Screening

It's time to be your own fashion designer and leave the others behind. Turn any computer generated or hand drawn image into a vibrant fashion statement. In a band? Come learn how to create your own merch to sell at shows. We'll walk you through prepping a screen, setting the image and making a design that will last longer than the Rolling Stones.

Youth Institute

This year-round program utilizes technology as an engagement tool to increase social, academic and workforce skills. Using the most cutting-edge and highest level technology and software participants learn about and create their own digital music, videos, magazines, graphic designs, and edit their photography. During the summer an 8-week structured program allows youth to apply for the chance to complete and earn an academic stipend. During the school year, a more casual structure allows them to seek homework help, work on individual projects, and explore new techniques. Participants in this program emerge with improved confidence, academics, and industry level technology skills.

With leadership seminars and trainings, fields trips, and special events, Teen Feedback is the engine running KTUB and our young vibrant community. Contact programs@ktub.org for your application.

Youth for Diversity Program (YDP)

YDP is a cross-cultural youth program that allows teens to explore their values and beliefs, gain knowledge about world cultures, and develop skills to incorporate into school, work and life. Through a combination of active dialogue, field trips and intercultural experiences, YDP offers a safe space for teens to explore as well as gain diversity and cultural competency. Teens watch foreign movies, learn about music and dance, experience regional arts and craft, and with the help of our special guests, cook up some International delicacies. As part of a YMCA Global Excellence Branch, members of YDP will be eligible for participation in regional and international trips.
